BILL STATUS: As Introduced

FUNDS AFFECTED: X **GENERAL**
DEDICATED
FEDERAL

IMPACT: State

Summary of Legislation: The bill requires a political committee to report certain information relating to persons other than individuals, corporations, labor organizations, and political action committees that make contributions or loans to the committee.

Effective Date: July 1, 2003.

Explanation of State Expenditures: *Summary:* The Election Division may have to update campaign finance forms CFA-4 and CFA-11 to reflect the changes of the bill. Given that both forms are currently available on the Internet, and if a change had to be made to either form, the expenditure would be absorbable in the Election Division's budget. The Division could experience an increase in staff time to change a form and the Indiana Election Commission would approve the changes.
